

NBA

Bill Acceptor

- Flexible, durable, secure
- Automatic note centering
- Intelligent, removable, lockable cash box
- Optical anti-fishing function

ICT

Bill Acceptor

The NBA can be enhanced with an optional barcode reader and RFID function offers the extra capability to validate barcode tickets and vouchers as well as to transfer the cash box information to the docking station (optional). Equipped with advanced note centering technology, the NBA is able to accept a wide variety of different note widths without sacrificing any functionality.
